

Friends of Otter Rock Marine Reserve
Stewardship. Science. Outreach.

Paid High School Student Internships Available this Summer!

We are pleased to offer up to 10 paid high school student summer internship opportunities as a Tide Pool Ambassador at Otter Rock Marine Reserve, located near Devil's Punchbowl State Natural Area.

Under the supervision of our tide pool program coordinator:

- Engage with visitors to share your passion for the coast, tide pooling, and marine conservation
- Increase awareness about the Marine Reserve and inspire stewardship.
- Participate in community science projects.
- Build your resume with communication experience and ocean science knowledge.
- Earn \$15/hour stipend with opportunity for an award of \$100 upon completion of 100 hours over the summer.

Applicant requirements:

- Current high school student or 2025 high school graduate.
- Recommendation from a science teacher.
- Self-motivated and enthusiastic about the ocean, conservation, and/or marine wildlife.
- Bi-lingual skills a plus!
- Parental/guardian permission required for successful applicants under the age of 18.
- Must have means of reliable transportation.

Expectations:

- Commit to a total of 100 hours at the tide pools throughout the duration of the summer schedule (shifts to be worked out in advance based on low tides)
- Be available for virtual training sessions on April 8 and May 5, and in-person training on the beach at Otter Rock Marine Gardens on May 3 and 4.
- Professionally represent the Friends of Otter Rock organization to the public
- Lead by example through practicing safety and stewardship at the tide pools

Apply by March 14th. Email your letter of interest and letter of recommendation from a teacher to: Fawn Custer, fawncuster6@gmail.com. Questions? Email or call Fawn Custer at 541-270-0027. Learn more about us at <https://www.friendsofotterrock.org>.
